- To enhance the learning quotient among the students by the efficient use of techniques like ICT,LCD Etc.,
- To ensure values and ethics among the students which will improve their quality of life besides the ability to understand and improve.

ABOUT THE COLLEGE

GOVERNMENT FIRST GRADE COLLEGE VARTHUR came into existence in 2009 with the mission of imparting quality education, especially to socially, economically marginalised students. Though it made a humble beginning at the time of inception with no adequate infrastructure facilities, over the years the college has built an impressive array of academic excellence and facilities to cater the needs of the students. In the beginning the classes were engaged in the junior college building Varthur and the institution shifted to its own sprawling campus in 2016 located at Madhuranagar semi-urban locality of Bangalore. The college offers four streams in undergraduate education namely, BA, BSc, B.COM and BBA. The institution prepares the students for not only academic excellence but also equips the students to become active participants in our pluralistic society. The institution aims to inculcate in the students qualities of confidence, competence, civic sense and excellence to make them global citizens. When the college was established in 2009 the strength of the students was just 187 but in the subsequent years the institution leaped strength to strength, the number of the students has now reached five hundred and results produced are commendable. The college provides an eco-friendly ambience.

CO-CURRICULAR / EXTRA-CURRICULAR ACTIVITIES

- **NSS, SCOUTS AND GUIDES (Rangers) and RED CROSS**

The college implements NSS and SCOUTS AND GUIDES (Rangers) and RED CROSS with the objective of rising social conscience among the students. We encourage the students to voluntarily, compassionately and constructively work to mitigate the problems of society. They enable the students to become socially responsible and realise the joy of serving the society with commitment and dedication.

- **SPORTS:**

Our college has constantly being developing the facilities to encourage the students to achieve milestones in sports events. The department of physical education and the teachers provide ample encouragement to the students interested in sports activities. The sportsman spirit in each student is encouraged by

- Coaching the students both in indoor and outdoor games
- Conducting and encouraging the students to participate in inter-class, inter-collegiate and inter-state sports meet
- Organising “SPORTS DAY” is a regular feature of the college. To provide the students an opportunity to exhibit their talent, ability and competitive spirit in sports.
- Many students have won accolades at state and national level

- **CULTURAL ACTIVITIES:**

The cultural activities conducted in the college provide an opportunity to exhibit their talents .Every year a wide variety of artistic, literary and other creative talents are identified through interclass and inter-college competitions and rewarded best talent and ability at the end of year.

FACILITIES AVAILABLE

• **CAREER GUIDANCE AND PLACEMENT CELL:**

Career guidance and placement cell invite experts from different industries and organize student supportive programmes, on career guidance and personality development. The placement cell aims to seek job opportunity for semi urban students by conducting campus drives, students are also sent to other mega job drives. Many of the students have been placed in reputed companies.

• **ANTI SEXUAL AND ANTI RAGGING CELL:**

The Anti-Sexual and Anti-Ragging cell is established as per the requirement of UGC norms; the cell ensures the students to maintain discipline in the classrooms and the college campus. The cell is empowered to take necessary action against disturbing activities like Sexual Harassment and Ragging.

• **LIBRARY:**

The college has well-equipped reference books and good journals and magazines. It has a rich collection of about 14000 books including text books on different subjects. It caters the needs of students and faculty in different disciplines.
