1. E -copy of MoU with FOREST DEPARTMENT for the year 2017-18

**Memorandum of Understanding (MoU) between Arkalgud Forest Development and Government First Grade College Arkalgud.**

This MoU is executed on the 19<sup>th</sup> day of December 2017 between the following

**Arkalgud Forest Development Arkalgud and Government First Grade College Arkalgud  
Hassan - 573102  
Hassan district - 573102**

We the principle of Government first grade college arkalgud, and Range Forest officer, arkalgud are glad to get into a memorandum of understanding (MoU) from the academic year 2017-18 to till the termination of agreement.

This agreement will take effect from the date of its signing and shall be valid for an unlimited period from that the date unless sooner terminated, revoked or modified by mutual written agreement between the parties, and may be extended by mutual written agreement. Either party may terminate the agreement at any time during the term by the provision of three months written notice to the other party.

We agree to work together to undertake a collaborative activity with following Roles of both the parties

Government first Grade College will have the following obligations

1. Provide land for the tree plantation.
2. Provide assistance in maintaining the plantation.
3. Ex-situ conservation within in-situ

Department of forest arkalgud Taluk Hassan district will have the following obligation

1. Setting up and maintenance of tree plantation.
2. Organize environmental awareness classes for students on regular basis.
3. Provide opportunity for on the job experience to the students.

Time and duration of the project.

This MOU will commence on December, 2017

  
Principal

Govt. First Grade College  
ARKALGUD 573 102

- This MoU will remain in effective until the agreement commences, until and other wise terminated by the parties.
  - This agreement may terminate this memorandum by mutual agreement
- Either party may terminate this MoU by giving a written notice

*Smita HC*  
Principal  
Govt. First Grade College  
ARAKALGUD - 573 102

Principal, Govt. First Grade College (Name of the Government Office/Department/Institution) the consumer of CESC located at (address) Arakalaguda, hereinafter referred to as the "Seller" (which expression shall, unless repugnant to the context or meaning thereof, include its successors and permitted assigns) as party of the second part.

Whereas,

- a. The CESC with consent of Seller intends has installed without any cost to the Seller a SRTPV system of 15 kW capacity on the roof top of the premises situated at Arakalaguda. And connected to electrically service connection bearing number (RR No) ACH-781 having sanctioned load of 7.3 KW the same premises under Arakalaguda, Sub-Division of CESC.
- b. The Seller intends to sell net energy exported from the said SRTPV system to CESC as recorded in the bi-directional meter installed in the seller's premises, from the date of commissioning of the SRTPV system.

Now therefore, in consideration of the foregoing premises the parties hereto, intending to be legally bound hereby agree as under:

**1. Technical and Interconnection Requirements:**

- 1.1 SRTPV system shall be designed, engineered constructed and operated and also maintained for the duration of this agreement by the CESC with reasonable diligence subject to all applicable Indian laws, Rules, Regulations as amended from time to time and orders having the force of law.
- 1.2 CESC shall ensure that the SRTPV system complies with all the technical and interconnection requirement in terms of the KERC (Implementation to Solar Rooftop Photovoltaic Power Plants) Regulations, 2016, as amended from time to time.

**2. Safety :**

The CESC and Seller shall comply with the safety measures in terms of the KERC (Implementation of Solar Rooftop Photovoltaic Power Plants) Regulations, 2016 as amended from time to time.

- 2.1 The CESC and seller shall comply with the Central Electricity Authority (Measures Relating to Safety and Electricity Supply) Regulations 2010.
- 2.2 If the Seller's SRTPV system either causes damage to and/or produces adverse effects on the other consumers' or CESC's assets, Seller will disconnect SRTPV system immediately from the distribution system by himself or upon directions from the CESC and rectify the same at his own cost before reconnection.

**3. Clearances and Approvals :**

The CESC on behalf of the Seller shall obtain any statutory approvals and clearances that may be required. Such as from the Electrical Inspector or the municipal or other authorities, before connecting the Roof-top Solar PV System to the grid/distribution system.

**4. Access and Disconnection :**

- 4.1 CESC shall have access to metering equipment and disconnecting device of SRTPV system, both automatic and manual, at all times.

Govt. First Grade College  
Arakalaguda - 573 102

Smita H.S.  
Principal  
Govt. First Grade College  
Arakalaguda - 573 102

4.2 In emergency or outage situation, where there is no access to a disconnecting device either automatic and manual, the CESC shall have the right to disconnect power supply to the premise.

**5. Liabilities :**

5.1 The CESC shall be solely responsible for availing any fiscal or other incentive provided by the state/Central government, at his own expenses.

5.2 The Seller and CESC shall indemnify each other for damages or adverse effects of either Party's negligence or misconduct during the connectivity with the distribution Network and operation of the System.

5.3 The Seller and CESC shall not be liable to each other for loss of profits or revenue, business interruption losses, loss of contract or goodwill, or for indirect, consequential, incidental or special damages including, but not limited to, punitive or exemplary damages, whether any of these liabilities, losses or damages arise in contract or otherwise.

**6. Commercial Settlement-**

**6.1 Tariff:**

- a. The CESC shall account for the net exported energy at the average pooled power purchase cost as notified by the Commission annually, for Commission's Order dated : 11.11.2016
- b. The Electricity tax and other statutory levies, Pertaining to SRTPV generation, as may be levied from time to time shall be an account of the CESC.

**7. Metering**

7.1 The parties shall arrange to shift the existing meter to the generation side of SRTPV to measure solar power generation and install bi-directional meter (whole current/CT operated) for recording export and import of energy at the point of interconnection to the distribution system. The bi-directional meter shall comply with the Central Electricity Authority (Installation and operation of meters) Regulations, 2006 and shall have the following features :

- a. Separate registers for recording export and import energy with facility to download by Meter Reading Instrument (MRI)..
- b. kVA, KW and kVAR measuring registers for both import and export.
- c. Meter shall have RS232 (or higher) Communication optical port/Radio
- d. Frequency (RF) port to Support Automatic Meter Reading (AMR)

7.2 The CESC shall install the meter of SRTPV system and bi-directional meter in separate meter boxes in the same proximity or at a suitable place in the premises accessible for the purpose of recording the reading whenever necessary.

**8. BILLING AND PAYMENT:**

8.1 CESC shall issue monthly electricity bill for the net metered energy on the scheduled date of meter reading.

8.2 In case, the exported energy is more than the imported energy, CESC shall account the net energy exported at the average pooled power purchase cost agreed within 30 days of issue of bills duly adjusting the fixed charges and electricity duty if any.

Govt. First Grade College  
ARKALGUD - 573 102

8.3 In case, the exported energy is less than the imported energy, the Seller shall pay CESC for the net imported energy as per the prevailing retail supply tariff including fixed charges as determined by the Commission from time to time.

Explanation: Net imported energy means the difference of meter readings of energy injected by the SRTPV system into the grid (export) and the energy drawn from the grid for use by the seller (import) recorded in the bi-directional meter.

**9. Term and Termination of the Agreement :**

This agreement shall be in force for a period of 25 years from the date of commissioning of the SRTPV system.

10. The Seller & CESC jointly agree to maintain the SRTPV installation in good condition for period of 25 years being the useful life of the plant. The CESC agree to bare any cost of the SRTPV installation for the useful life of the plant including any cost towards maintenance of the SRTPV plant for the useful life of the plant.

**11. Dispute Resolution:**

- 11.1 All the disputes between the parties arising out of or in connection with this agreement shall be first tried to be settled through mutual negotiation.
- 11.2 The Parties shall resolve the dispute in good faith and in equitable manner.
- 11.3 In case of failure to resolve the dispute, either of the parties may approach the Commission for its resolution.

IN WITNESS WHEREOF, the Seller and the CESC have entered into this Agreement executed on the date and year first set forth above.
