

Student Feedback on College Facilities 2019-20

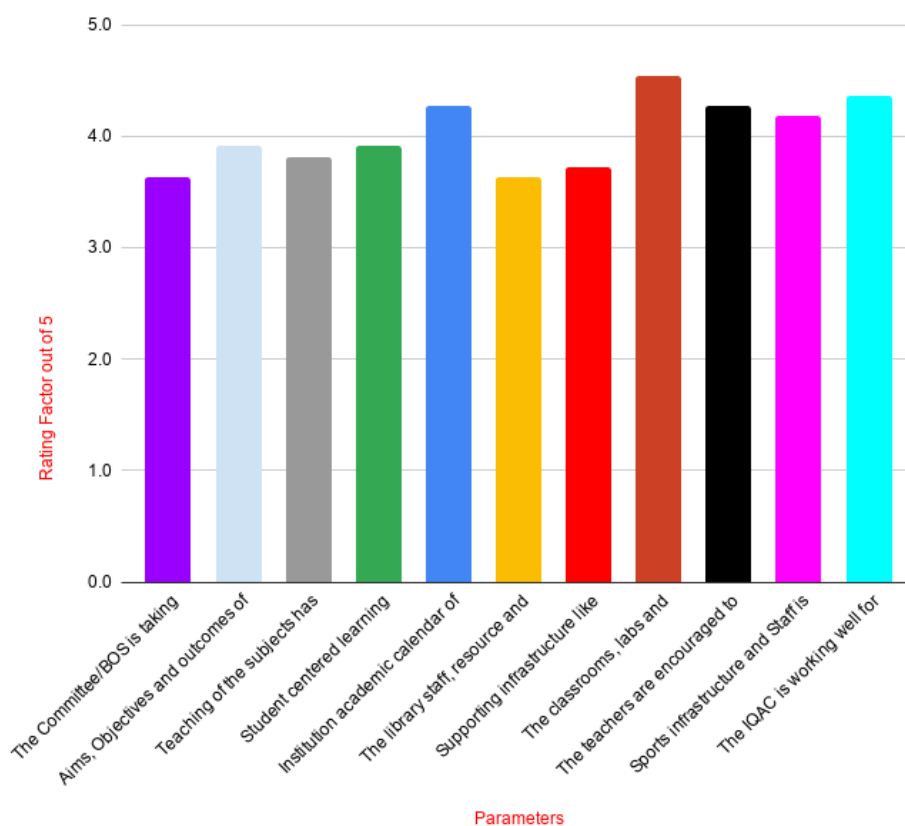

Observation:

Based on the analysis of the students feedback we have observed that we need to improve facilities such as Library, Play ground, Canteen, Rest Room .

Action Taken

Construction work is in progress. Shortly we will overcome all the above issues observed.

Faculty Feedback on Curriculum/Infrastructure/Governance/IQAC for 2019-20

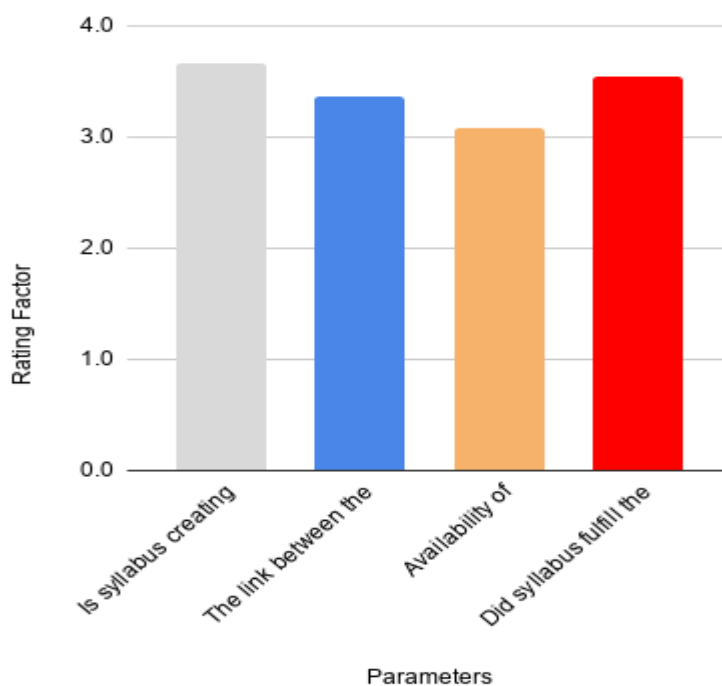

Observation:

Based on the analysis of the Faculty feedback on Curriculum/IQAC/Infrastructure/Governance, we have observed that we need to improve the committees and action taking apart from that we have above average in all the parameters.

Action Taken

Based on the norms of University and DCE, we have formed all the necessity committees and working towards the student's beneficiary view. In upcoming days, we will improve more to gain our score to high level in all the parameters.

Students Feedback on Syllabus 2019-20

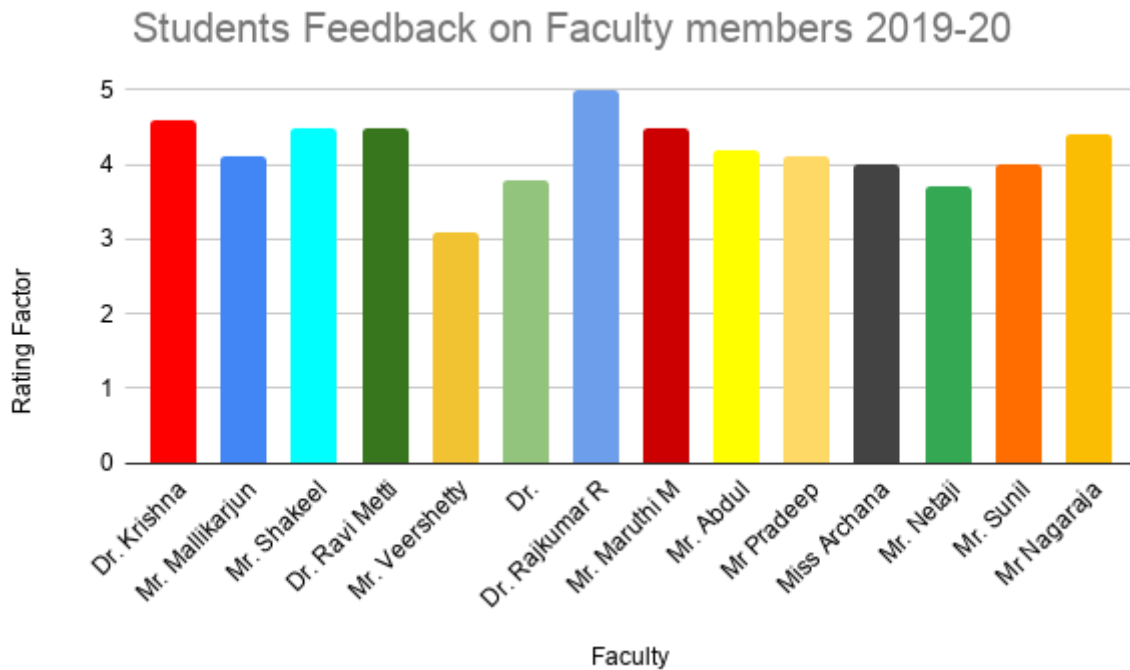

Observation:

Based on the analysis of the student's feedback on Syllabus, we have observed that students are not satisfied much towards the parameters.

Action Taken

We are working on prescribed syllabus of Gulbarga University. Recently in the year 2018-19 university has updated its syllabus to CBCS Scheme. We are working towards to achieve our best based on above parameters.

Observation:

Based on the analysis of the student’s feedback on faculty members we have observed that our faculty members are giving their best.

Action Taken

We have planned for individual meeting with each faculty to discuss with all the parameters we have taken for survey from the students. Hope it will help us to overcome the drawback.
