GOVERNMENT FIRST GRADE COLLEGE, BHALKI

VISION

Empowerment of rural youths of all sections of society through Higher Education

MISSION

To Impart quality Higher Education by adopting innovative methods to the aspirants in conducive academic environment by providing all the facilities they need for their smooth, effective and meaningful learning and giving them ample opportunities for their personality development with a focus on holistic approach and stimulate them to develop requisite qualities and competencies in a right spirit with a desire either to meet the changing requirements of the competitive global job markets or to be a successful entrepreneur to excel in life and become great achievers.

OBJECTIVES

1. To inculcate deep subject knowledge and necessary skills among rural students and inspire them to be life long learners.
2. Grooming of leadership qualities among students
3. To bring out the graduates of excellence, good character, competencies, and integrity.
4. To train students with practical knowledge
5. To engage students in extra and co-curricular, extension, outreach, and other social activities to make them to be aware of their duties towards the society
6. To Promote the progression of students to higher education and professional courses
7. Placement of students to different positions according to their abilities by organizing campus selection by inviting companies
8. Inculcation of personality development traits among students.

ABOUT COLLEGE

Government First grade College Bhalki was started in the year 2007. Its sole aim is to provide higher education to rural and needy people. It empowers rural youth motivating with tasks to be competitive in this modern world. It helps them to develop economically & socially by making themselves befitting in the modern competition and self confident.

The College is located at Bhalki opposite to BKIT Engineering college near Idaga Maidan. It has its own building with sufficient experienced teachers. It is at the heart of the Bidar District Karnataka from where all talukas of the district falls at 40 km each including Udgir and Neelanga taluka of Maharashtra state. It has well connectivity of Rail as well as Road like SH-75 and SH-123 and Bidar Nanded highway.

Keeping in view the population as per 2011 census 40333 and literacy rate Male 87%. Female 72% particularly higher education literacy rate is very low. Our college provides Education in Arts, Commerce, Science and Management. Shortly we are planning to introduce Post Graduate courses in our college. We have different types of Scholarships, Co-curricular activities like NSS, Scout & Guides, Red Cross and Heritage Club.

Our college is growing Since 2007. The students strength is gradually increasing. Initially we have only 60 students but now more than 600 students are studying in our college. Till now we have university Ranks and university Blues. Our college is imparting quality higher education to Youth of the Taluka.
