Kodagu Disaster response report and the humanitarian aid provided by Youth Red Cross Wing of the college- 2018

In the month June, July heavy monsoon rains lashed Kodagu. The heavy downpour resulted in series of landslides. These landslides wiped out many villages and coffee estates changing the landscape forever. Many villages were completely cut off from the outside world. Thousands of people suddenly became homeless completely exposed to nature's fury. Many lost their lives too. Keeping this unprecedented natural calamity in mind a State disaster response team was formed. As an active member of the team YRC Nodal officer of the college Dr. Harish M G underwent a three-day training at Mandya from 19-08-2018 to 21-08-2018.

The state disaster response team further proceeded to Kodagu to provide humanitarian aid to people in the temporary relief camps. Tents, water bottles, rain coats, boots, anti-septic liquids, mosquito repellents, first aid kits, medicines, packed food was provided to the effected.
