## 1. Analysis Report on Feedback from students on curriculum

The students are the most important stakeholders of Higher Education systems. The interest and participation of students at all levels in both internal quality assurance and external quality assurance have to play a central role. From the current academic year, the college has started online feedback system. We have collected online feedback from our under graduate students. A special five-point scale feedback form on the curriculum is developed. We have received total 147 students' online feedback on the syllabus of BA and B.com designed by Kuvempu University in the academic year 2020-21.

Evaluation Points	Very Good	Good	Average	Acceptable	Poor
1. Is syllabus creating interest in you?	40.82%	44.90%	12.24%	0.68%	1.36%
2. The link between the chapters is	33.33%	35.37%	26.53%	2.04%	2.72%

## **Feedback Analysis**

We have received 147 student feedbacks out of the total of 440 students both from Arts and Commerce discipline, due covid 19 pandemic some students even not able to access the feedback. As for as the first evaluation point i.e. the syllabus creating interest among the students is concerned, 85% of the students are completely happy with their current syllabus. For the remaining evaluation points like the link between the chapters in the syllabus, the availability of reference books, the fulfilment of expectations of the students of the syllabus and the overall assessment of it, all the students have opted out the options like 'Very good' and good respectively. The overall picture of this feedback is that all the students are highly comfortable with syllabus.

## **Action Plan**

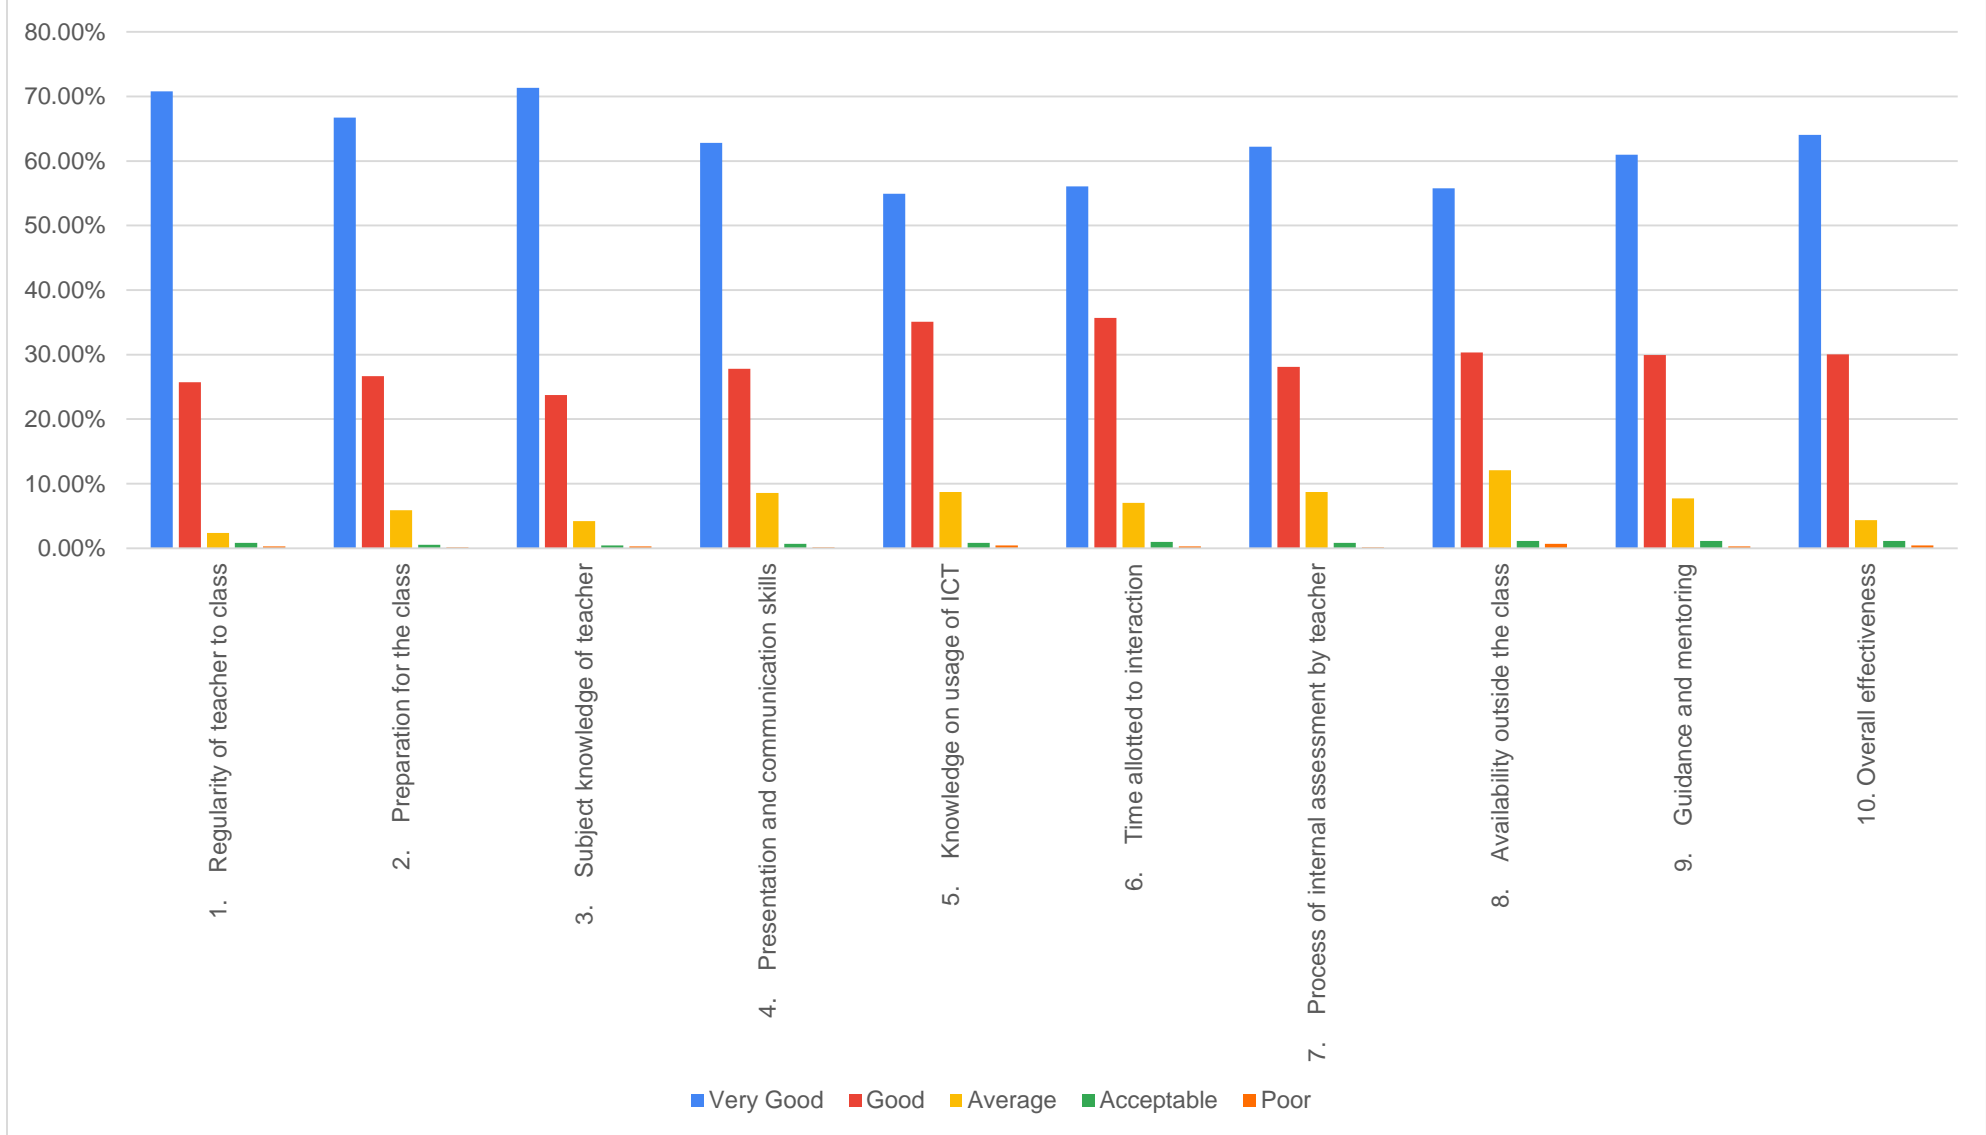

1. Since none of the faculty of our college is in BOS, we cannot make any flexibility or alterations in the curriculum.
2. Our college library is well equipped with a good number of reference books of latest edition are which highly catering to the need of the students. We will attempt to buy more reference books of all possible disciplines to support the students.
