- To continue yoga classes for the students.
- To send a proposal to the UGC for one time catch-up grant for non - 12(B) colleges

At the end of the academic year college could achieve almost all the goals listed above.

PART - B**Activities reflecting the goals and objectives of the Institution.**

The fundamental aim of the college is to impart sound learning to young women under circumstances congenial to their all-round development.

It encourages the students to aim at excellence not only in academic pursuits, but also in every aspect of human endeavor to achieve excellences.

The students are prompted to survey for academic excellence so that in course of time they may take up suitable careers for the betterment of their lives and also their families and society at large. The various co-curricular activities of the college, especially the extension programmes provide them with a rare social consciousness that motivates them to reach out to their fellow men, particularly the needy and marginalized.

With the aim of providing Quality education to the students, in addition to the regular transaction of the curriculum, tests and terminal examinations are conducted to monitor the academic progress of the students. Association activities, college magazine, cultural activities day, sports day and college day celebrations help bring out and develop the hidden talents in the students. The students are encouraged to participate in various competitions in cultural as well as sports and games, so that they can attain excellence in extra curricular activities as well.

In our prompt attempt to import liberal education every possible effort has been taken to bloom the social consciousness of our students, making them committed to their fellow-beings, thus carving responsive and responsible adults out of them.
