

# THE ANNUAL QUALITY ASSURANCE REPORT (AQAR) OF THE IQAC

Name of the institution : GOVERNMENT COLLEGE FOR WOMEN

Chintamani, Chikkaballapur District.

Year of Report : 2009-2010

## PART –A

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year.

The IQAC met in the second week after the reopening of the college and decided to take measures to achieve quality in all aspects of the college. Special emphasis was given to both academic and infrastructural development of the teaching department. The main proposals in the action plan and the outcome achieved by the end of the year are as follows.

- Thrust was given to the research activities.
- It was decided to encourage the teachers to apply for minor and major research projects.
- To initiate a lecture series
- To make documentation system more efficient
- It was decided to depute as many, faculty members as possible to participate in faculty improvement programmes, orientation course, refresher course, workshops, conferences etc.
- To make the remedial training programme more efficient and effective.
- To encourage and the teachers and students to achieve 100 % computer literacy to use concepts followers, and other types of software.

- To strengthen the career guidance and placement cell in the college.
- To strengthen the participation of the alumni in quality improvement programmes.
- To improve the library collection and services.
- Strengthening the infrastructure, beautification of the campus.
- Meaningful observance of important days such as Republic day, Independence Day, Gandhi Jayanthi, World Science Day Ambedkar Jayanthi, Kannada Rajyosthava etc.
- To continue Yoga classes for the students.

At the end of the academic year the college could achieve almost all the goals listed above.

## PART – B

### **I. Activities reflecting the goals and objectives of the instruction.**

The fundamental aim of the college is to impart sound learning to young women under circumstances congenial to their all-round development. It encourages the students to aim at excellence not only in academic pursuits but also in every aspect of human endeavor to achieve excellence.

The students are prompted to strive for academic excellence so that in course of time they may take up suitable careers for the betterment of their lives and also their families and society at large. The various co-curricular activities of the college, especially the extension programmes provide them with a rare social consciousness that motivates them to render service to the needy and the marginalized.

With the aim of Providing quality education to the students, in addition to the regular transaction of the curriculum, tests and terminal examinations are conducted to ensure and monitor the academic progress of the students. Association activities, college magazine, cultural activities day, sports day and college day celebration are designed to bring out the hidden talents of the students. The students are encouraged to participate in various competitions in cultural as well as sports and games, so that they can attain excellence in extra curricular activities as well.

In our prompt attempt to improve liberal education, every possible effort has been taken to bloom the social consciousness, of our students, making them committed to their fellow- beings thus carving responsive and responsible adults out of them.
