Respected, Dr. Muralidhar

On behalf of GFGC and PG Center, Chintamani, I would like to express my sincere thanks for the time and effort you have spent as resource person in the workshop on "Opportunities and Challenges in Implementation of National Education Policy - 2020" on 07.09.2021 organized by IQAC of our college in association with IQAC of Government College for Women, Chintamani.

Your impact on the stakeholders was very helpful and gave a new perspective on NEP and its available opportunities. At various occasions we expect and appreciate your engagement and support extended to our college in future. We hope you will accept our invitation in such occasions in future.

Regards,
