- Motivation about the higher education to all class people of the society
- Awareness about the importance and future of the higher education

Government First Grade College, Chitaguppa has been realised the Portray and Thrust of the society where it's running to promote the students for Higher Education. Knowing- "The most important and urgent reform needed in education is to transform it, to endeavour to relate it to the life, needs and aspirations of the people and thereby make it the powerful instrument of social, economic and cultural transformation necessary for the realisation of the national goals. For this purpose, education should be developed so as to increase productivity, achieve social and national integration, accelerate the process of modernisation and cultivate social, moral and spiritual values." The basic ideology of the Institution is '*Swadesh Pujyate Raja, Vidhwan Sarvatra Pujyate*', which means a king could be honoured in his kingdom only, while **Academician** can be honoured throughout the world. Keeping this torch of education burning, our College Teachers have been going that extra mile to help the students **acquire knowledge**.

The Institute has set the vision to give Skills based education and knowledge to all the students, nation building education to multi-cultural and multi-lingual society, Overall development of the rural students for the rural development, quality, efficient, skills, Information and Technology based education to Kalyana-Karnataka region to enhance and upgrade the life standard. The Mission is also to Improve quality education and training to the students to make them competent citizen of the country, develop the Students skills there by contribute to national development. to provide an environment to foster research and innovation, offering access to higher educational opportunities that enable students to enrich the knowledge and skills, improve the employability and inculcate leadership qualities and service to their communities, to utilize the human resources to the extent of making students the responsible citizens of the nation with entrenched social commitment through creative teaching and make them employable.

The Result has been proved and encouraged the Institution after its success in the Portray and Thrust objective. Every year the more number of Students have been enrolled into the Higher Education like M.A, M.Sc, M Com, MCA, MBA, LLB, B. Ed. The performance of the Institution has been increased year by year as for enrolments of the Students for these Higher Education Courses.
