Govt. First Grade College  
CHITAGUPPA

**The institution wishes to translate its objectives into activities through the following measures**

Our institution has concentrated on the specified objectives especially on quality education to students advised to get honest effort to receive quality education from different cultural, religious and linguistic group of students from rural and poor background.

We have highly qualified and eminent teaching faculty with more than ten Ph.D holders and few of them are M.Phil degree holders, some faculties cleared UGC JRF- NET-KSET. The institution has sufficient class rooms for teaching, sufficient ground for playing with well qualified physical director and we have well equipped library with well qualified librarian.

All the faculties are putting effort to make students towards good citizens and preparing themselves for higher education which is need of an hour

The institution strives to impart a holistic education that will enable the students to face the challenges of a rapidly changing society and improve the employability inculcate leadership for the benefit of the society.

In recent times, the institution has specially upgraded itself with the help of Government of Karnataka, Department of Collegiate and Technical Education launched Learning Management System (LMS) to take up the challenge of online teaching and e-learning is being effectively carried out.
