CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

1. To provide the effective service and well-planned curriculum, at the beginning of each academic session, college prepares its proposed academic calendar, which is uploaded in the college website. The proposed academic calendar is prepared according to the notices and circulars received from the affiliating university. Students are informed about the academic calendar of the college notifying the probable teaching days, dates of internal examinations, curricular, extension related and co-curricular activities 2. An 'Orientation Programme' is organized every year for newly admitted students to make them aware of the mechanism for curriculum delivery and implementation. 3. The Committee of the college prepares the master routine and circulates it to different departments. Routine is prepared strictly in accordance to the number of credit points mentioned in the prescribed syllabus of each course offered by the departments. Routine is prepared by the routine committee for all generic courses, all programs and honours classes of all Departments of Arts, Science and Commerce. 4. Based on the regular basis, the departments conduct meetings for allotment of classes and syllabus distribution among the teachers. Students are given details of teaching assignment of each teacher at the beginning of a

session by the department 5. Based on the teaching assignments allotted in the syllabus distribution, teachers prepare their "teaching plans" according to the number of lectures allotted in the university syllabus for each topic. 6. Along with the traditional chalk and talk method, teachers often use power-point projections during the lectures to demonstrate topics 7. Class tests/surprise test and student seminars are held after completion of a section of the syllabus and periodic review of performance of students is undertaken 8. Tutorial classes are held in some departments within class routine hours for which separate attendance registers are maintained 9. Interactive sessions with students and, sometimes with guardians are held to identify problem areas. Special care is taken to address the problems of slow learners, advanced learners and first generation learners. Social net-working sites are also used by some departments for interaction between faculty and students beyond the class hours 10. Student satisfaction survey is conducted by IQAC to improve the teaching-learning process of each department .

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

Mentoring of students is conducted by the departments of the institution. Mentoring of students is based on the following objectives: ? To increase the teacher-student contact hours ? To identify and address the problems faced by slow learners and first generation learners ? To encourage advanced learners ? To prepare students for the competitive world Every year, departments individually organize orientation sessions on the class commencement day for students of first semesters and explain the designing and implementation of the mentoring system of the department. Departmental teachers. In the mentoring process, all necessary information related to the student such as the contact number, email of the student, family income, category, gender etc are initially collected by the department through the student database format provided by the IQAC. Departments maintain the records of class tests/surprise tests, attendance records, records of student seminars etc related to the reviewing of the performance of the students. Departmental teachers maintain interaction with students through individual meetings, social networking sites and interaction boards of learning management system. Teachers discuss with parents during parent-teacher meetings and try to identify the problems faced by students and related issues. Time factor is a major constraint of the mentoring system, especially after introduction of the CBCS in 2019. To overcome this constraint, teachers sometimes suggest students to provide the list of difficult questions and problems faced by them while preparing for competitive examinations and then the teachers provide solutions in written form to the students. In some departments, tutorial classes are also organized for students. College has planned to introduce a mentoring guideline for all departments from the next academic session to address the problems.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

Student Council of the college is an elected body and always joins hands with faculty members and college administration to ensure overall development of the college. Students' council was appreciated by NAAC peer team members in September 2017 for maintaining a disciplined atmosphere in the college. NAAC peer team report and peer team members mentioned the college as a highly disciplined institution. Student Council organizes different cultural

programmes to observe important days such as "Swami Vivekananda's Jayanthi", "Republic Day", "Dr.Ambedkar Jayanti", "Basava Jayanti","Independence Day"etc. in the college campus. Participation of students in the students' council helps in the development of their organizational skills. Every year, students' council organizes annual college exhibitions in the college campus, which also involves an interdepartmental competition and thereafter prize distribution through proper judgement by invited eminent persons of the locality. It gains wide participation from the locality as well. General Secretary (GS) of the students' council is the member of governing body of the college. GS puts forward his/her suggestions and different issues related to the academic and administrative affairs of the college to the Head of the institution and to the IQAC. Problems faced by students are sometimes communicated to the college authority through GS of the students' council.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Decentralization The institution has a mechanism of providing operational autonomy to various functionaries in order to ensure a decentralized governance system. 1. Principal Level Principal is the member secretary of the governing body and chairperson of the IQAC. The Principal in consultation with the Teachers' Council nominates different committees for planning and implementation of different academic, student administration and related policies. All academic and operational policies are based on the unanimous decision of the governing body, the IQAC and the teachers council. 2. Faculty level Faculty members are given representation in various committees/cells nominated by the Teachers council, in the Governing body, in the IQAC and other committees. Every year, the composition of different committees is changed to ensure a uniform exposure of duties for academic and professional development of faculty members. 3. Student level General Secretary of the students union is the member of governing body. Students are empowered to play important role in different activities. 4. Non-teaching staff level Non-teaching staff are represented in the governing body and the IQAC. Suggestions of non-teaching staff are considered while framing policies or taking important decisions.

6.1.2 – Does the institution have a Management Information System (MIS)?

Partial

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Curriculum Development	Curriculum designing and development is decided by the affiliating university. Principal and Faculty members interact with the university and provide their views related to curriculum development.
Teaching and Learning	Remedial classes, Bridge courses, Seminar presentation and a number of value added courses are conducted for teaching quality improvement, - Video conferencing - Frequent industry visits.
Examination and Evaluation	Semester examinations are conducted by the affiliating university. College conducts internal assessment of students according to the university guidelines. Class tests/surprise tests, student seminars, interactive sessions, practical examinations, debates etc are conducted by departments to evaluate the students. Low achievers are counselled by class teachers and mentors. Examinations procedures are managed online through university. Students can register online and get hall tickets if they are eligible to appear for examinations in terms of attendance and other factors.
Research and Development	Encouraging joint research by faculty members, which has resulted in their national and international joint publications
Library, ICT and Physical Infrastructure / Instrumentation	We have purchased more than seven hundred books for civil services, Ex: IAS, KAS, IBPS, PDO, PSI etc., provide soft copy of previous years question papers, also we provide book bank facility for SC/ST students. Social media like whatsapp group, facebook are created for students information.
Human Resource Management	The faculty attend orientation programs and refresher programmes regularly. The administrative staffs are given soft skill training in office management and capacity building. The college has a well-established Placement cell which caters to the job requirements of the students. Various skill oriented programmes and workshops are conducted in the college by various bodies like the IQAC, the Placement Cell, These are conducted for the students by bringing in experts from

	various fields. Orientation programmes for fresher's are conducted at the beginning of every academic year.
Industry Interaction / Collaboration	Industry visits are organized for better exposure to the industry.
Admission of Students	Admission committee is consisting with senior teachers as members. Guidelines are given based on the vision of the college, viz. inclusion of students from all sections of society and expansion across all strata of society. Applicants for admission are guided and counselled to choose the course best suited to their abilities.

6.5.2 – Activities and support from the Parent – Teacher Association (at least three)

Government First Grade College Chitaguppa believes in the academic, social, moral and cultural development of students by acquiring inputs from all stakeholders. Although the college does not maintain formally registered parent-teacher association, yet interactions of teachers with parents during parent-teacher meetings of different departments come up with new suggestions related to the overall development of the students. Teachers have been able to communicate with parents to prevent early marriages and other prejudices related to the drop-out of girl students. This has resulted in the increase in overall percentage of girl students in the college. Presently, the female students constitute 64 of the total undergraduate students of the college. Faculty members maintain attendance record of students. If a student shows poor attendance, then parents are informed about the same by faculty members and Principal and subsequently meetings are arranged by the college authority with the parents. In almost all cases, parents provide essential support and care to ensure proper attendance of their ward.
