Name of the Programs	Programs Outcomes
B.Sc.	<ul style="list-style-type: none">➤ Bachelor of Science (BSc) offers theoretical as well as practical knowledge about different subject areas. These subject areas include Physics, Chemistry, Mathematics and Computer Science and other fields depending on the specialization a student opts.➤ This programme course is most beneficial for students who have a strong interest and background in Science and Mathematics. The course is also beneficial for students who wish to pursue multi and inter-disciplinary science careers in future.➤ It helps to develop scientific temper and thus can prove to be more beneficial for the society as the scientific developments can make a nation or society to grow at a rapid pace After the completion of this course students have the option to go for higher studies i.e. M.Sc. and then do some research for the welfare of mankind. After higher studies students can join as scientist and can even look for professional job oriented courses.➤ Science graduates can go to serve in industries or may opt for establishing their own industrial unit.➤ After the completion of the B.Sc degree there are various other options available for the science students. Often, in some reputed universities or colleges in India and abroad the students are recruited directly by big MNC's after their completion of the course.➤ Apart from the research jobs, students can also work or get jobs in Marketing, Business & Other technical fields. Science graduates also recruited in the bank sector to work as customer service executives. Students can also find employment in government sectors.

B.Com

- The programme is designed to provide students with a wide range of managerial skills and understanding in streams like finance, accounting, taxation and management. A degree in B.Com opens up innumerable career options and opportunities to the aspiring managers both in India and abroad. It also prepares one to start a business of his/ her own in the capacity of an entrepreneur.
- This program could provide well trained professionals for the Industries, Banking Sectors, Insurance Companies, Financing companies, Transport Agencies, Warehousing etc., to meet the well trained manpower requirements. The graduates will get hands on experience in various aspects acquiring skills for Marketing Manager, Selling Manager, over all Administration abilities of the Company.
- Students also acquire skills to work as tax consultant, audit assistant and other financial supporting services. Students have choices to pursue professional courses such as CA, M.COM, MBA, CMA, ICWA, CS, etc Students are able to play roles of businessmen, entrepreneur, managers, consultant, which will help learners to possess knowledge and other soft skills and to react aptly when confronted with critical decision making.
- Our primary objective is to enable every student to cope up with the latest developments in contemporary, national and global level through effective transaction of the curricular and co-curricular aspects. The College motivates molds and prepares the students for positions of leadership in business organizations at the local, national and international levels.

B.A.

This college offers degree in Bachelor of Arts (B.A) with different combinations. Students have the option to choose between English, Hindi, Urdu and Kannada as a linguistic course. The other subject areas include History, Economics, Political Science and Sociology. The students go through a well-defined study programme for their all-round development. Following the successful accomplishment of BA, students can look for jobs or go for higher education such as postgraduate degree in any of the areas where BA has been completed. Following are the major outcomes of this programme:

- Students can go for a career option in various areas following successful accomplishment of their Bachelor of Arts degree.
- Employment opportunities include Historian, Economist, Political Scientist, Philosopher, Social Activist, Sociologist, Public Relation Executive, Lawyer, Journalist and so on.
- This programme also offers opportunities to undergraduates in Banking jobs, SSC, Railway and even Civil services. They can appear for almost every exam where science is not the basic eligibility.
- After completion of this course students can go for B.Ed, M.A, M.Ed, or PhD and choose teaching as career either in school or in university.
- Study of Humanities makes students socially aware. They know the problems of society. Thus many choose to work in NGOs and some open their own.
- Students having degree in B.A. have edge in CET exams. Many arts students pursue their career in Management and Marketing.
