Policy for Disable Friendly Barrier Free Environment

Right of Persons with Disabilities Act, 2016 prohibits discrimination against individuals with physical and mental disabilities. The College considers it an honour to serve the differently abled members of the community. We have formulated a specific policy to keep the campus disabled friendly, and to take every possible measure to provide a barrier free environment to the Divyangjan:

- To create barrier free environment for persons with disabilities
- To provide equal opportunities for disable students and staff members without any discrimination.
- To build ramps and disabled friendly wash rooms.
- To ensure implementation of all legislations with respect to persons with disabilities.
- The class to which a differently abled student is admitted should be shifted to a room to which he/she can have the easiest and shortest access. It is the duty of all the staff and students to offer help to differently abled students without waiting to be requested to.
- No stakeholder should ever discriminate a student belonging to the Divyangjan.
- Audio lessons are be provided to the differently abled students.
- Scribes are allowed to the differently abled students on request.
- To develop a mechanism to monitor and implement the above policy.
