

**Government First Grade College, Devanahalli**  
**Internal Quality Assurance Cell**  
**Action taken report on Feedback Analysis 2019-20**

Sl. No.	Problem Encountered	Action taken
1	Students are of the opinion that creative method should be used to deliver the concept rather than traditional methods of teaching.	Teachers will be instructed to use different pedagogy with student centric activities in the class, like role play, seminar class etc.,
2	Students are not satisfied with Online Classes.	The principal has taken action on the basis of the issue related to Students are not satisfied with Online Classes. The principal discussed thoroughly each issue and suggestions given by the stake holders in the staff meeting, the college has taken required steps to improve and provide all the possible facilities to the students. Teachers are motivated to convince the students about online classes and use the technologies like Whatsapp, YouTube, Zoom etc., due to inevitable pandemic situation.
3	Syllabus should be modified to meet industry needs	From this year will introduce at least two add on certificate course to fulfill the industrial needs
4	Students are of the opinion that project work, internship, field trips to be part of curriculum.	It will be referred at Board of Studies (BOS) meeting.
