Topic: World Suicide Prevention Awareness

Date: 23.09.2019

Resource Person: Dr. Vikram

World suicide prevention day was celebrated in the college in association with BBMP and District Mental Health Centre on 23.09.2019 at 10.00 am. This day is observed internationally to encourage people to join the event together to spread awareness about suicide prevention. Dr. Vikram Arunachalam from BBMP addressed the gathering by giving worldwide statistics and suggested students to contribute in preventing suicide just by being compassionate and reaching out to others.

Dr. Bharath, MSW, PhD Scholar instructed students about their role play in this as co-workers to promote prevention of suicide among youth. Our students went out for a procession to create awareness in the society about suicide prevention.
