Industrial Visit Report 2017-2018

On 22-02-2018, 200 students Of 6th semester B.com and BBM with 5 faculty members of Govt. Arts college, (Autonomous) Chitradurga visited Karnataka Oil Federation, Industrial area, Bangalore road, Chitradurga.

Purpose of Industrial Visit:

Industrial visit is observed as one of the tactical method of teaching. The main reason behind this industrial visit is to let students know things practically through interaction, working methods and employment practices. Moreover it gives exposure from academic point of view.

From this industrial visit students are able to understand the process of groundnut oil manufacturing. There are five steps to extract the groundnut oil, Cleaning, Desalting, Cooling, Pressing and Filtration.

Students are also knows the machinery and equipment which are used in groundnut oil extraction process. And also knows the availability of KOF products in Chitradurga. Some of them are Safal groundnut oil, Sungold oil, Sun safal oil, Soyabean oil, Swagat products, Safal organic products, Safal Agri products, Safal Coconut oil, Safal grains and Safal vegetable oil.
