Institutional Statement on Code of Conduct

The Institution is executing a professional course. The legal profession is a noble profession which has a strong ethical premises. To strengthen the ethical base of teaching and learning, the institution has adopted and implemented its ethical policy in the following manner.

Framing Code of Conduct

The college administration consisting of Principal, Senior Teachers, Administrative Staff and students' representative has framed the code of conduct – separately for teachers and students. These codes have been displayed on notice board and the same have been uploaded on college website also.

Activities

The college monitors the practice of these ethics on subjective basis. Code of conduct for teachers is internalised as the conduct issues are deliberated at teachers' informal meetings.

The professional ethics is taught to students as part of Clinical Course No. 1. Fifty Bar Council of India cases are discussed with students and students write reports on the same. The reports of each students are available in the college.
