Analysis:

The above table illustrates the number of responses received in a four-point scale as excellent, good, satisfactory and unsatisfactory. Overall response reveals that the majority of the students are happy with the facilities available in the college. A large number of students have rated cultural/NSS/NCC activities as excellent, followed by library facilities. Students are satisfied with playground & sports facilities, attitude of office staffs, availability of the Principal in the college and his response to students. Though some students have rated computer facilities as excellent and good, many have responded that it is unsatisfactory. The response for remedial classes and cleanliness in the college show that many are unsatisfied about these facilities.
