About College

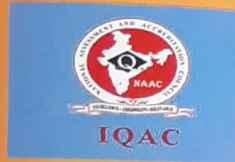

Jamkhandi comes under Bagalkot district. It is famous for sugarcane and here as many as 6 sugarcane factories are running successfully. The policy of the Govt. of Karnataka is to take higher education to the common women and bring about regional balance. With this great vision to make higher education affordable to all the communities especially to the poorest of the poor of all sections of the society, Govt. of Karnataka started Govt. First Grade College for Women in Jamkhandi during the academic year 1993-94. Now, the college is being affiliated to Karnataka State Women's University, Bijapur and the college is having 2(f) and 12(b) status recognized by UGC. It comes under the jurisdiction of Dharwad Regional Joint Director Office. This college is offering high quality education for students of Arts, Commerce, Management and Science Courses. The college has to its proud credit the Ranks and Blues on the University level every year. The college is situated at the taluk head quarters and has its own building at the heart of the city which is very near to the bus stand. The college has witnessed a great growth from a meager 29 students in the year 1993-94 to 1755 students in the academic year 2018-19. The college has 15 Regular Teaching Staff, 75 Guest Lecturers and 07 Non-Teaching Staff members. The college has been accredited by NAAC with B grade. The college has 2 NSS wings each carrying 100 students and 1 Ranger wing. The students are also benefited by receiving scholarships from Central as well as State Governments in addition to the scholarships provided by local factories and Institutions.

About IQAC

In pursuance of the National Action Plan of the National Assessment and Accreditation Council (NAAC), Bangalore, for performance evaluation, assessment and accreditation and quality up gradation of institutions of higher education, the NAAC proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-

Since quality enhancement is a continuous process, the IQAC will become a part of an institution's system and work towards realizing the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the performance of institutions. The IQAC will make a significant and meaningful contribution in the post-accreditation phase of institutions. During the post-accreditation period, the IQAC will channelize the efforts and measures of an institution towards academic excellence. The guidelines provided in the following pages will facilitate the institution in the creation and operation of the Internal Quality Assurance Cell (IQAC). The work of the IQAC is the first step towards the internalization and institutionalization of quality enhancement. Its success depends upon the sense of belongingness and participation it can inculcate in all the constituents of the institution.
