Respected sir

SUB: Opinion of the students regarding curriculum

With reference to the subject IQAC for our college has collected and analyzed the feedback from various stake holders. The following are the suggestions are

- Courses related to vocational transferrable skills to be included as an integral part of the curriculum
- Projects, OJTS and internships to be a part and parcel of curriculum

On behalf of the stake holders I wish to bring to your kind notice that the concerns regarding curriculum to be incorporated in the curriculum to cater to the academic needs of the students.

Looking forward for your support.

Thank you

Yours faithfully
