Sub: Collection of Plastic waste & General Garbage.

With respect to above, we have collected about 1500kgs of above waste for recycling & disposal of scientifically. The same be segregated in our in house plant and records will be kept at our factory. Further for any inspection purpose. We are not charging nor given money for the same. This we are doing in interest for the well being of surrounding Environment. Since it is govt. institution and our children's well being.
