# **Government College for Women, Kolar**

## **A Note on Alumni**

Our Alumni association is an active wing in our institution. It consists of former students who are actively supporting us in our endeavour to make this institution a great centre of learning. It opens a door of opportunities to ex- students to shape their career and in turn contribute something to the institution. It is a forum for exchange of ideas. College plays an anchor role in facilitating opportunities in various fields. College alumni association was registered on November 4, 2019. Association meets twice a year.

## **Aims and Objectives of Sneha Sangam, Alumni Association**

Our Alumni association named, "**Sneha Sangam**" (conglomeration of friends) aims -
