

GOVERNMENT COLLEGE FOR WOMEN KOLAR - 563 101

e-Granthalaya Screenshot

The yellow pointed arrows in the screenshot indicates the college name

The screenshot shows a web browser window displaying the e-Granthalaya application. The browser's address bar shows the URL `eg4.nic.in/gfgckar/Default.aspx`. The page header includes the e-Granthalaya logo and the text "A Digital Agenda for Automation and Networking of Government Libraries from NATIONAL INFORMATICS CENTRE, Government of India". Below the header, the page title is "GCW Kolar Library, Government College For Women, Kolar, Kolar". A yellow arrow points to this title. The page content includes a "Welcome to e-Granthalaya 4.0" message and a description of the software. A sidebar on the left lists various modules such as "Library Administrator", "Master Data", "Books Acquisition", "Cataloging", "Circulation", "Serials", "Micro Documents", "Bills Processing", and "Search & Reports". The bottom of the page shows a Windows taskbar with the search bar and system tray.

Welcome to e-Granthalaya 4.0 About Library

e-Granthalaya: A Digital Agenda for Automation and Networking of Government Libraries - is a Library Management Software, developed and maintained by National Informatics Centre, Ministry of Electronics and Information Technology, Government of India. The software is being implemented in Government Libraries on request basis. NIC provides support, consultancy, training and hosting for the software and database to computerize the Government Libraries. The Software is a Cloud Ready Application; and uses PostgreSQL - an Open Source DBMS as back-end solution. The Software is multi-lingual, UNICODE compliant, provides an online data entry solution. The current version of the software is 4.0 - Enterprise Edition, web-based and hosted in NIC National Cloud, suitable for cluster of libraries under one organization with a centralized database.
