

MINORITY CELL

Composition

Dr. Rizwana Begum- Convenor

Ms.Farzana Parveen - Member

Report:

The college has constituted a Minority cell which comprises of convenor and members. The minority cell looks into the welfare of minority students in the institution. The minority students were addressed with issues regarding the facilities available to them, Scholarship details and higher education facilities the meetings convened during the academic year. The minority cell also redresses the grievances of minority students if any.

Further minority students of the institution encouraged to come up with the suggestions to improve their well being.
