DEPARTMENT OF SOCIOLOGY	
Programme Outcome	Throughout the history of our ancestors are analysing human natures with respect of Sociological life. Their interpretation and queries are more than one. Why the human is social being? Why does a human live in a family? Why did he build a temple, masque and why does he pray? Why does the society transforming continually? Is a God creation of a man or is a man created by God? These are questions comes in our mind. Till now we are getting satisfactory answers for these questions through some one's inner sight, thinking capacity, imaginations, mythological stories, blind believes, folk intelligence. The science of society, social institutions and social relationships specifically, the systematic study of the development, structure, interaction and collective behaviours of organised groups of human.
Programme Specific Outcome	The Sociology Program prepares one for a lifetime of change by developing one's appreciation of diversity, love of learning, writing and study skills, and knowledge base about human behavior, social organization, culture, and social change
