

GOVERNMENT FIRST GRADE COLLEGE, KOPPAL

IQAC REPORT SUMMARY ON TEACHERS ATTENDING FACULTY DEVELOPMENT PROGRAMMES

Internal Quality Assurance Cell (IQAC) of Government First Grade College, Koppal takes considerable effort to ensure the participation of the staff in training programmes such as Orientation courses for newly inducted staff, Refresher courses and other Faculty development programmes. The Government of Karnataka approves only those faculty development courses run by UGC-Academic staff colleges and other national agencies. Leave is sanctioned for attending the courses offered by the staff Colleges only. It is to be noted that Karnataka has many academic staff Colleges namely Academic staff college, Karnataka University, Dharwad, Academic staff Colleges namely Academic Staff College, University of Mysore, Mysore, Academic staff Colleges namely Academic staff college, Bangalore University, Bangalore and hence is not able to meet the huge demand of teachers for attending the courses. The number of full time permanent faculty were less in number in the following years, thus in the last five years, only many participants have attended Refresher course and orientation course but other teachers were attended the workshops conducted by university and other training institutes.
