# Students Feedback on Teachers

## Analysis:

The chart shows students' response on teachers. In this process of collecting feedback, we have got 920 responses from all the courses. The above analysis shows that the student feedback is encouraging. Bcom and BSC students responses were more appreciable. The most of the BA students had limited access to the technique devices and the most of the students have gone to their native places where the network accessibility is very limited. considering the ground reality, the response is encouraging. The institution will in the coming days explore possibilities to increase the same.

#### Analysis:

The chart shows students feedback on curriculum .Most of the students are satisfied with the overall syllabus . In this process of feedback collection nearly 823 students have given the responses.

- The suggestions are closely observed .
- The availability of reference books are more
