

Report of the Faculty Development Programme on Human Values and Personality Development

The Faculty Development Programme, *Motivational Strategies and Personality Development* was organized on 12-10-2017 at Government First Grade College, Malleshwaram. The objective of the FDP was to reaffirm the importance of human values and Life Skills. The Resource Persons for the program were Dr. GunduRao, and Dr. SathyaMurthy. The programme was attended by the faculty of GFGC, Malleshwaram.

The programme was conducted in two sessions. While the first session on human values was theoretical, the activity oriented second session shifted the focus on the life skills. The programme enlightened and enriched the faculty who received the programme well.
