

## **WORKSHOP FOR BBMP HIGH SCHOOL STUDENTS ON 5-01-2020**

BBMP High school students of about 45 visited our college for one day to learn the basics of computing. Smt. Shubha. S HOD, Department of Computer Science first briefed about the basic concepts of computers and gave 15 free text book on Computer fundamentals to the students and the staff. After explain about the basic concepts, they were taken to the computer lab in 2<sup>nd</sup> floor for practical demonstration. All the students were given the assignment of typing a leave letter to the teacher in MS Word and was asked to use excel sheet to type the subject marks and find sum and average of marks. They all had fun in learning and was very thankful to Smt. Shubha. S for the session.

**SESSION ON FUNDAMENTALS OF COMPUTERS BY SMT. SHUBHA. S, HOD,  
DEPARTMENT OF COMPUTER SCIENCE &  
PRACTICAL SESSION AND HANDS ON – STUDENTS WORKING WITH MS OFFICE  
WORD AND EXCEL**
