STUDENTS IN HIGHER EDUCATION” – ISSUES AND CHALLENGES.
ORGANISED BY MANASIRI – A COUNSELLING CENTER ON 15-03-
2018 AT GFGC MALLESHWARAM.**

One day national level conference on “BEHAVIOURAL AND LEARNING DIFFICULTIES AMONG THE STUDENTS IN HIGHER EDUCATION” – ISSUES AND CHALLENGES. organised by Manasiri – a counseling center on 15-03-2018 at Gfgc Malleshwaram. The programme convend by Dr komala R , GFGC, malleshwaram, Bengaluru while Dr.Sahana Priyadarshini ,Dept of English and Prof Swamynathan , Dept of commerce GFGC Malleshwaram Bengaluru, Co-ordinated. Day’s programme was compeered by Dr Sahana Priyadarshini, program started with an invocation song by a First year BA student Ravikiran. Prof. Swamynathan , welcomed the dignitaries, delegates, media persons and the gathering. Keynote address was delivered by Dr C R Chandrashekar and Dr Jagdeesh emphasizing the importance of Psychology and academic performance of the students. Most of the aspects of academics are related to the psychological factors. Psychological illnesses and the stigma surrounding the people are the biggest challenge for the mankind to face with. Many communities across the world struggle with the stigma of psychological issues. While people will openly seek treatment for a broken arm or heart disease, their decision to seek treatment for a Psychological illness is often kept secret and many times, avoided entirely due to stigma.

The principal, Dr.Komala R who presided over the function addressed the gathering about the importance of study of students psychology in higher studies. Dr Kannappa Shetty and Dr Jagdeesh were also present in the program. Latha T proposed the vote of thanks.

After the tea break technical session I began which was chaired by Dr Jagdeesh .Dr Kannappa shetty and Dr Jyothsna sorted out 78 papers according to the themes. After discussing the common themes of the papers lunch break was given. After the lunch break second session was started.

Second session was chaired by Dr Jagdeesh who talked about women’s psychological issues, the physical and mental problems faced by girls in the higher education.

The third technical session was chaired by Dr kannappa shetty. After the third session tea break was given. Valedictory started at 4:30 in the evening. Vote of thanks was delivered by Sahana Priyadarshini.
