Policy towards utilisation and maintenance of Physical, Academic and Support facilities

The college ensures the best utilization of the available financial resources for maintenance and upkeep of different facilities through its well drafted policy. Maintenance policy covers the following aspects:

- Appointment of Campus Development Officers from among the faculty members who will be responsible for the effective utilisation and efficient maintenance of the available facilities.
- As the college is recognised under RUSA, the RUSA co-ordinator is also equally responsible for the maintenance of various facilities and equipments.
- Regular meetings are conducted to review the working conditions of various facilities as well as to assess the future requirements for the better functioning of the college.
- Wherever necessary, Reports and Budgets are prepared to be submitted to the Department of Collegiate Education (RUSA) for the purpose of obtaining grants for investing in different facilities.
- When grants are received under different schemes of the government/ MHRD/ UGC/ Philanthropists etc., the college uses the grants as per the guidelines and in the interest of students.
- Annual physical stock verification is done for each facility under the guidance of the Principal and cross checked with the records (Stock Register, Purchase Register, Cash Book etc.) maintained for the same.

Maintenance of Laboratory Equipment, Computers and Office Machines:

- The repairing and maintenance of sophisticated lab equipment, Computers, Technical and Electronic Gadgets, Office Machines are done by the technicians of related owner enterprises or by expert technicians.

- Systematic disposal of biodegradable/ chemical and e-waste and waste of all types such as is strictly monitored so that there will not be any environmental pollution.
- A person is appointed for the maintenance of computer systems.
- Consumable accessories such as printer ink, cartridges, paper are purchased from time to time and supplied to the office as and when necessary.
- Networking is maintained by GAYATHRI INC., Mangaluru.

Library facilities:

- As far as Library is concerned, the Senior Librarian contacts the HODs of each department and collects the list of books required for the academic year. As and when the library grant is received, the books shall be ordered from the book sellers within the funds available. Library has its own issue and return policy for the students as well as the faculty members. Library committee will help in resolving various issues relating to the library management and in decision making regarding the subscription of journals, magazines and other activities.

Maintenance of Sports and Gymnasium Facilities:

- The Physical Director in consultation with the Principal looks after the maintenance of sports equipment and Gymnasium.
- Repair and maintenance of Gym equipment is done regularly to avoid physical hazards.

Maintenance of College Building and Campus:

- Students are sensitized regarding cleanliness and hence they sweep and clean their own classrooms and maintain the classroom cleanliness.
- Corridors and washrooms are cleaned with the help of full time sweepers.
- Regular 'Swachh Campus' drives are organised where the NSS/ Rangers and Rovers/ Youth Red Cross volunteers involve themselves in campus cleaning and ensure healthy campus throughout the year.
- Repairs and maintenance of furniture, building, electrical and lighting appliances are undertaken on a routine basis.
