

## **Library is automated using Integrated Library Management System (ILMS)**

The Library is fully automated with leading library management software solutions e-Granthalaya 4.0 which give a user-friendly interface for searching resources in the library along with its positions and availability status in the year 2020. e-Granthalaya 4.0 Cloud version installed for uploading and preserving Library data on cloud server of National Informatics Centre and thus enabling Web OPAC service to the students and community.

Name of the ILMS Software: e-Granthalaya

Nature of Automation: Fully

Server Version: 4.0 Cloud Version

Year of Automation: 2020

Web OPAC : <https://eg4.nic.in/GFGCKAR/Default.aspx>

Mobile App link: <https://play.google.com/store/apps/details?id=com.nic.eg4mobile>

A Digital Agenda for Library Automation and Networking - is a Library Management Software, developed and maintained by the National Informatics Centre, Ministry of Electronics and Information Technology, Government of India. The Software is a Cloud-Ready Application; and uses PostgreSQL - an Open Source DBMS as a back-end solution. The Software is multi-lingual, and UNICODE compliant and provides an online data entry solution. The current version of the software is 4.0 - Enterprise Edition, web-based and hosted in NIC National Cloud.

The major features of ILMS-eg4 are cost-effective & secure, compliant with open standards with worldwide acceptance & MARC-21; fully web-based, with no limitation to use; supports Z-39.5 protocol; Web OPAC with the capability of creating dynamic web-portal; fully compatible with RFID, EDI and Barcode; Email & SMS notifications to the users. The system is on cloud servers; customizable item type; fully supported user management; Metadata Compliant; provision to undertake offline circulations The automation software supports Circulation, Cataloguing, Acquisition, Serial Control, Administration, OPAC, Patron Management, Advanced search, Reports, Tools, etc. The mobile app is available and students and staff can access the library through the mobile app 24X7 anytime anywhere. All features are being used extensively for providing automated library and information services to library users. The bibliographic records of books are available through OPAC (Online Public Access Catalogue). The library offers unique services and facilities for users such as Remote Access, Reference Service, Lending Service, Document Delivery Service, Current Awareness Service, Digitization Service, E-Library cum Digital Library, Reprographic Service, Newspaper Clipping Service, New Arrival Alert Service, Library Bulletin, etc. To sensitize users, the library conducts an orientation program to increase awareness of services, resources, and facilities provided by the library.

ई-मेल / E-mail :

Madam/Sir,

This has reference to your Letter/PI Request Form regarding **Implementation of e- Granthalaya 4.0** software for your Library Computerization. In this regard, we are pleased to inform you that we have sent an Online Account in the mail mentioned in your letter along with other details and guidelines to use e-Granthalaya 4.0 on NIC Cloud. The e-Granthalaya Services on NIC Cloud from NIC/NICSI shall be provided for the period of five Years for which you have paid Rs.21275/=as per NIC Policy. You are requested to kindly acknowledge the receipt of the account and test it properly as steps given in the mail. Your subscription is from 09/2020-09/2025.

e-Granthalaya 4.0 is a Library Management Software developed and maintained by NIC and is hosted in NIC National Cloud for Online Access. Your Library's data will be hosted in a shared database with other libraries and thus, it uses the policy of Shared Cataloging. The database and application are maintained by NIC. A Valid URL has been provided to you to access LIVE Web OPAC of your Library where library members will be able to search Library catalog, same URL may be linked at your parent Organization web site.

To access the e-Granthalaya Online, you need to have a dedicated leased line/high-speed NET Connectivity with Min 8 MBPS speed in the Library Desktops. Besides, your Library should have provision of Barcode Printer /Scanner/Laser Printer, etc. required to implement such technology for better library services.

User Manual and other documentation are available at our web site (<https://egranthalaya.nic.in> ). We have also registered your email in 'e-Granthalaya Mail Forum' to receive information/announcements regularly from NIC. It is also requested to register your librarian name in 'e-Granthalaya Discussion Forum' linked at our web site where your librarian can interact with other users of the software. In case, you need any help then write us at [egranthalaya@nic.in](mailto:egranthalaya@nic.in) or [rkmatoria@nic.in](mailto:rkmatoria@nic.in) or call us at 011-24305487/89. In case you are already using eG3 then send us latest backup along with user code and password of eg4 so that we can migrate your data from eG3 to eg4.

"With the dream to network all the Government Libraries with a Single-Window Access System".

Thanking You

Yours Sincerely,

(Ram Kumar Matoria)

## BAR CODE LABELS GENERATION

The screenshot shows the 'e-Granthaalaya' web application interface. The header includes the logo and the text 'A State Agency for Automation and Modernizing of Government Libraries'. The main content area is titled 'Print BarCode Labels' and is divided into two steps:

- STEP 1: Search Records by certain parameters:** This section contains several search filters: 'All Accession No.', 'Accession No.', 'Range of Accession No. - From', 'Range of Accession Date - From To', 'Barcode', 'Quantity', 'Class No.', 'Current Status', and 'Collection Type'. There are also dropdown menus for 'Order by' and 'View as'. A 'Search' button is located below these filters.
- STEP 2: Select Size of Printer:** This section has radio buttons for 'Generate Printer', 'Label Printer', and 'Generate Labels'. A 'Generate Labels' button is prominently displayed.

A sidebar on the left contains a navigation menu with categories like 'Home', 'Library Information', 'Newspaper', 'Media Acquisition', 'Cataloging', 'Classification', 'Circulation', 'Services', 'More Information', 'Bills Processing', and 'Search & Reports'.

## WEB-OPAC

The screenshot displays the 'GFGC Mangalore Carstreet Library' web-OPAC interface. The header features the library name and the text 'Powered by e-Granthaalaya - A State Agency for Automation and Modernizing of Government Libraries'. A search bar is located at the top with a dropdown menu set to 'Books' and a search button.

The main content area shows search results for 'Your Search Returned 9(2) Record(s)'. Two records are visible:

- Record 1:** "HANS JYOTI MANOHARANA SANKHARALLI" by Hans Jyoti Manohar. Metadata includes: Material Type: Serial and Monographs / Books / General Books; Format: Book; Published in: English; Published by: Central Press, Bangalore, 2011; Web Subject: Kannada; Keyword: Sankhara; Full Volume: 1. A 'View Record' link is provided.
- Record 2:** "MANGALAM" (MANGALAM) - CHITRAI TRADITIONS, SARKIS, PRICES, JAVAS, COLLABORATION, SCHEDULE, POPULAR SERIES, HINDU TEMPLES. By Unknown. Metadata includes: Material Type: Serial and Monographs / Books / General Books; Format: Book.

On the left side, there is a 'Browse Collection By' section with a 'Subject' dropdown and a 'Cluster Selection' area. On the right side, there is a 'Log On / Password Reset' section with fields for 'Username No.' and 'Password', and a 'Log On' button.
