Training Program in ADVANCED EXCEL

18th Feb 2019 to 6th March 2019

A training program was held in ADVANCED EXCEL through the Centre for Proficiency Development and Placement Services (CPDPS), University of Mysore for the PG students of this college. A total of 50 students attended the training program. The trainer was Mrs Arunadevi, trainer deputed by the CPDPS. The training was for a period of 20 hours. A feedback of the training program was collected using the questionnaire sent by the CPDPS unit to serve the purpose. A total of 50 students enrolled for the program. The questionnaires were distributed to 49

students out of 50 enrolled for the training course. The opinion of students were obtained on four dimensions of learning facilitation, namely, the utility of the course, presentation of content , pedagogy utilized and the expertise of the trainer. The responses were obtained on a Four Point Scale ranging from 'Excellent to Poor'. The highest score for the positive response was '4' and the lowest score for the negative response was '1'. There were five questions of which four related to learning facilitation and the last was an open ended question to know about the opinion of respondents about the program and the trainer. The responses were analyzed and it was observed that the mean score of the responses were more than 3.5 on all the dimensions which only reveals that the students opined found the training course to be highly useful to them. The mean scores for each dimension ranged between 3.5 to 3.9. The highest mean score was for the expertise of the trainer. For an open ended question regarding the program and the trainer all the students have expressed that they found the training course to be very useful and expressed their appreciation for the trainer. Many opined that the training course has to be conducted for the others also in the department.
