MINORITY CELL

Minority Cell is constituted for the purpose of empowering the students belonging to minority communities studying in the institution.

The institution upholds the right of each student to education. The institution is keen on serving the educational and cultural needs of the students of minority communities along with the students belonging to varied caste, creed and religions. Minority Cell basically aims at facilitating the minority students to excel in academics and personality development.

OBJECTIVES

1. To enhance equal opportunities for education of minorities.
2. To create awareness among the minority students regarding various scholarship facilities by the state government and UGC.
3. To facilitate financial support to students from minority communities, government agencies and other sources.
4. To ensure provision for creating a safe and secure environment for the students.
5. To encourage enrolment for career orientation programs which would in turn empower and equip them with the necessary skills to choose suitable career options.
6. To ensure protection and reservation as provided in the Constitution of India.
