Date: 12-09-15.

Place: Shikaripura.

GOVERNMENT FIRST GRADE COLLEGE
SHIKARIPUR
DEPT OF PHYSICS

*SPECIAL LECTURE ON
STATISTICAL MECHANICS*

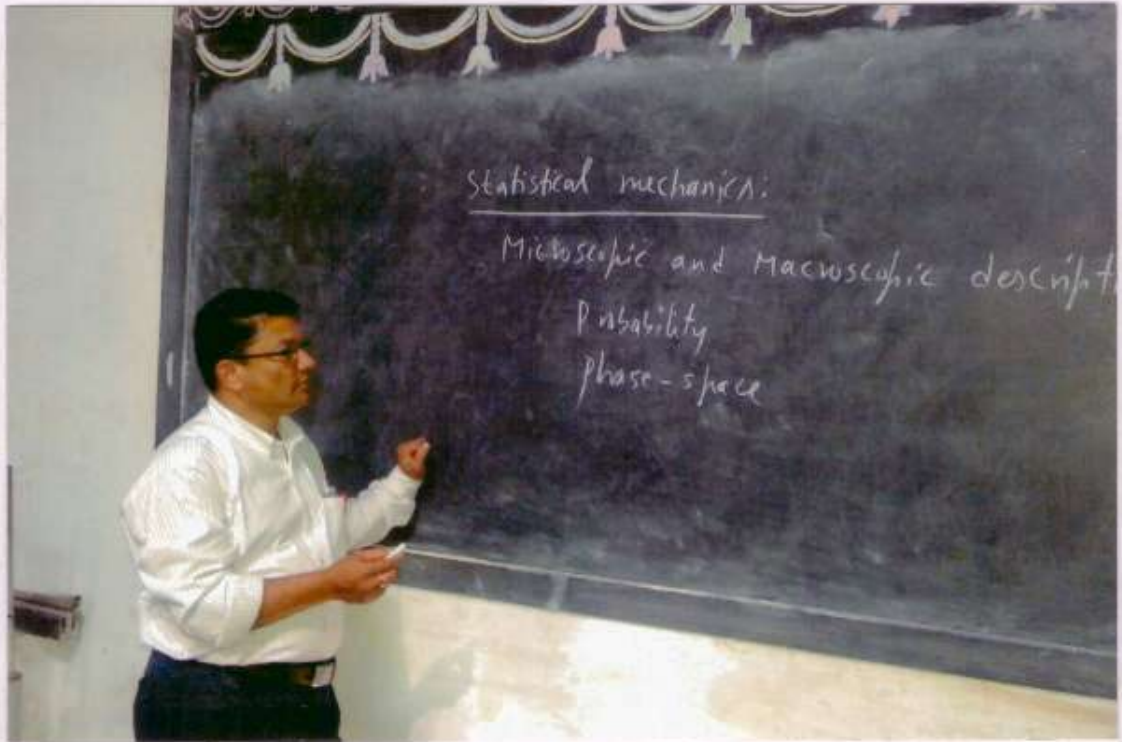

REPORT

The special lecture on statistical mechanics was conducted by Dept. of physics, Govt first grade college shikaripur, held on 12/09/2015, for the final B.Sc. students.

Prof. Dayanand P. Asst. Prof. L. B. College Sagar was invited as resource person to deliver a special lecture on "Statistical Mechanics" to provide an in-depth knowledge to the students, the topic selected is related to their curriculum.

The seminar was more concentrated on basic definition like phase space, probability concept, and also on the Fermi-Dirac distribution and Bose-Einstein distribution, Apart from this a short reference material was provided by the resource person and the same was distributed to the students by the department.

Lastly, it is found from the feedback obtained by the students, the special lecture was good and very informative to the students. Some students have mentioned to conduct more seminar of this type.
