

Orientation Programme

G.F.G.C Shikaripur

Orientation Programme was held by the Department of I.O.A.C for newly recruited Assistant Professors at G.F.G.C Shikaripur.

When I got recruited to this job, initially I was little scared because I was ignorant of the procedure of D.C.E & first grade college works. But after this orientation programme now I am able to get rid off my fear. The Co-ordinator of I.O.S.C of our college Ashwini Bichanalli clearly explained us, what works we have to do and how to document them. In the beginning of the programme Umesh sir, one the member of the committee explained that we have to visit D.C.E website regularly to get the latest updates. He said that we should progress in 3 levels: teaching, learning & evaluation. Along with this we should also document our progress.

Ashwini Madam told us that we should keep all the necessary documents & individual documents, like: Inward file, Outward file, Activity Book, Incent book, Cashbook, Question bank, Syllabus file, Result file... etc. She also told that we should ~~not~~ attend seminars & workshops. She told that it would be better if we keep our individual library to help students. She encouraged us to take up Minor Research projects & to take part in paper presentation.

HOD, Economics Dept.
G.F.G.C, Shikaripura

An Orientation Programme was arranged for newly recruited Assistant Professors on 28/9/2017 by IGAC Co-ordinator Ashwini H. Bidasalli at GFGC Shikaripura.

This Programme was very informative as it gave us an exposure to work procedure that was supposed to be followed in GFGCs.

The Coordinators briefly explained us how to maintain documents, Diaries etc.

Through this Programme we got an awareness of importance of documents, NAAC Activities, importance of Research work, Paper Presentations, publication of Articles.

Thanks to the Co-ordinator and Thanks to College Principal for organizing such an informative programme.

An orientation programme was arranged for newly appointed Assistant Professors on 28/9/17 by IQAC co-ordinator Ashwini H Bidanall G.F.G.C at Shikaripura.

This programme is very useful for the newly recruited Assistant Professors. This programme we got awareness of how to keep documents ready for individuals and the department.

Later on madam explained about research work, paper presentation workshops and publishing papers.

I should thank Umesh sir also for giving his ideas to conduct such a useful programme for us. Thus the orientation programme gave us clear direction of our work.
Thank you
