Established systems and procedures for maintaining and utilizing physical, academic and support facilities- laboratory, library, sports complex, computers, classrooms etc. The college ensures optimal allocation and utilization of the available financial resources for maintenance and upkeep of different facilities by holding regular meetings of various committees constituted for this purpose and using the grants received by the college as per the requirements in the interest of students. Laboratories are supervised by HODs of the concerned departments and Lab in-charge. The maintenance of laboratories i.e, calibration, repairing and maintenance of sophisticated lab equipments are done by the technicians of related owner enterprises. The Library requirement and list of books is taken from the concerned departments and HOD's are involved in the process. The finalized list of required books is duly approved and signed by the Principal. Suggestion box is installed inside the reading room to take users feedback. Their continuous feedback helps a lot in introducing new ideas regarding library enrichment. To ensure return of books, 'no dues' from the library is mandatory for students before appearing in examinations. Other issues such as weeding out of old titles, schedule of issue/ return of books etc. are chalked out/resolved by the library committee. For BCA and Computer Science students a centralized computer laboratory established to enrich the students. Each Department is having appropriate computers and printers for their requirements. Internet and WI-FI Enabled campus. The college has various committees for maintenance and upkeep of infrastructure. At the departmental level, HODs submit their requirements to the Principal regarding classroom furniture and other. Administrative officers will take in charge for student's academic requirements. Additionally, Department wise annual stock verification is done by concerned Head of the Department. Regular maintenance of Computer Laboratory equipments are done by Laboratory attendants and they are headed by the faculty incharge. Regular cleaning of water tanks, proper garbage disposal, pest control, landscaping and maintenance of lawns is done by Institute concern employees. College campus maintenance is monitored through regular inspection. Outsourcing is done for maintenance and repairing of IT infrastructure such as computers, internet facilities including Wi-Fi and

broadband. Outsourcing is also done for the maintenance of wooden furniture, electrification and plumbing. Regular maintenance of the water cooler and water purifier is done regularly. The maintenance of the reading room and stock verification of library books is done regularly by library staff.
