

*Government of Karnataka
Department of Collegiate Education*

**Sir MV Government Science College
Bommankatte, Bhadravathi-577302**

Measures initiated for conserving water inside the campus:

1. Using water as less as possible
2. Awareness regarding conservation of water bodies.
3. Maintenance of water bodies and distribution
4. Creating awareness by arranging lectures on conservation
5. Efforts made to create water saving technology

We certify that we have taken lot of efforts to conserve water in our campus and create an atmosphere of conservation.

Principal
Sir M.V. Government Science College
Bommanakatte, Bhadravathi-577 302.
