**Agenda of the meeting:**

Action plan and resolutions of the report submitted by the student's appraisal report

**Proceedings:**

The aforesaid committee met and discussed in detail the analysis of student's appraisal and the following decisions were taken.

**Resolutions:**

It has been noted that about 6 percent teachers have been identified as average and 4 percent have got the rating of poor response, the teachers identified were asked to improve their skills and adopt themselves to the latest technology to bridge the gap between teacher and student.

It was unanimously resolved to purchase reference books as per the demands of the student's, the librarian to identify such books and submit the list to the office of the principal.

Physical Education Director to discuss with the students and list out the required materials for further disposal at the earliest.

It was unanimously resolved to make every student submit their responses compulsorily to evaluate the college, infrastructure, library and teachers.

No further discussions were held and the meeting concluded with vote of thanks by the head of the committee
