The dead govern the living.  
Each department of knowledge passes through three stages.  
The theoretic stage, the theological stage and the metaphysical  
or abstract stage.  
Men are not allowed to think freely about chemistry and biology  
why should they be allowed to think freely about political philosophy?

The department of Sociology was established with the inception of the institution in 2007. It began with its strength of 87 students and today it has gone up to 500. The then principal Dr. Madanagiriappa always encouraged the department to grow and appreciated the results which was between 96% - 100%. The head of the department of Sociology was Shakuntala, with one part time lecturer ran the department.

There was a need for the forum for the overall development of students. Hence with the permission of Principal Sriramiah and the support of other faculty and students, CHIGURU was initiated. The forum for the department of Sociology - CHIGURU, was inaugurated by Prof. H. K. Moullesh, Registrar, National College, Basavanagudi, Bangalore on 1st September 2012, under the guidance of Deepa S.V. Assistant Professor of the department of Sociology. Dr Ramesh Naik, Guest Faculty of the department played a key role in initiation of forum with his moral support.

As on today the department of sociology is headed by Deepa S.V. Assistant Professor with another faculty Shashikala S, Assistant Professor, deputed from GFGC, Chikkaballapura. The results of the department are again from 92% to 100% every year.
