I BA HES/ESP INDUCTION PROGRAMME

15/12/2020

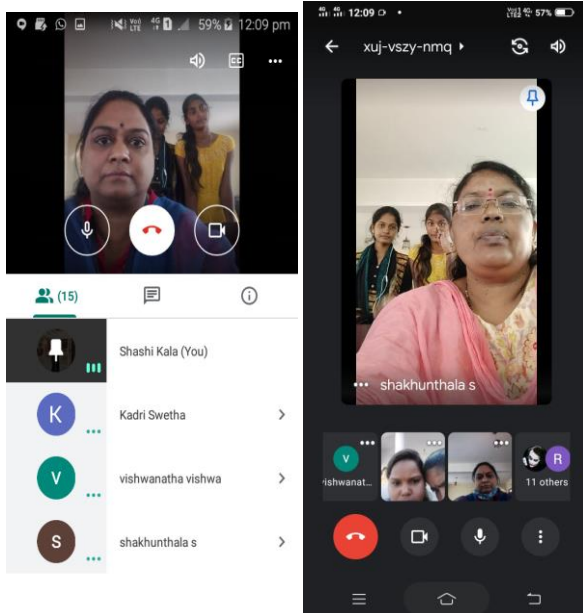

REPORT ON INDUCTION PROGRAMME

Induction and orientation Programme was conducted from department both on line and off line mode students attended the Programme through Google meet and some students participated directly in the Programme with parents.

Feedback was collected through online portal. Students expressed that the induction program was useful, helped them to understand the functioning of institution, orient to the faculty and peer group.

COUNSELLING FOR I BA HES//ESP

Objective

- Make students feel comfortable in the new environment
- Allow them to explore their academic interests and Activities
- Reduce competition and work for Excellence
- Build strong relation between teachers and Students
- Give broader view of life

New Student Orientation will include programming focused on sense of belonging, diversity and inclusivity, and information to assist students in transitioning and adjusting to college life in the COVID-19 era.

PROJECT FROM STUDENTS

The Corona Virus pandemic has swept globally, upending the personal and professional lives of millions of people, including students, educators, and education researchers. At all levels of education, instructors, institution leaders, and policy makers are facing an unprecedented challenge, trying to ensure that high quality and equitable teaching and learning continues under rapidly changing and unpredictable conditions.

A small attempt was made by I BA HES/ESP of both 1st and 2nd year a small project were made by the students during the Pandemic
